THE WHAT'S WHAT OF INDIAN COFFEE

CLARION/CB/8523

R
920.054
Jm 22.86

Indian Coffee, distinctive and delicious, gets its special aroma from the rich soil, climate and culture of India.

Nurtured on the shaded slopes of the Western Ghats with its spurs extending eastwards. Indian Coffee is grown under ecological conditions ideal for the growth of the finest coffees.

Coffee in India covers 2,26,848 hectares and accounts for 1,08,138 estates. Of this 1,05,848 are holdings below ten hectares, while 2,290 are holdings above ten hectares. Together these estates employ 3,44,505 daily workers. India's production of coffee for the season 1984–85 is estimated at around 1,96,213 tonnes.

The Coffee Board works for the growth and development of the Indian Coffee Industry. The Central Coffee Research Institute which is located in Balehonnur of the Chikmagalur District of Karnataka State has helped considerably in the scientific growth of Coffee plantations in India.

Coffee that is grown has to be processed or cured. There are 39 Coffee curing works in the country. A whole range of operations contribute to the quality of Indian Coffee. Careful picking of the coffee fruits, scientific processing, curing done to set standards and quality assessment, lead to the export of only the best coffee beans.

Coffee export earnings during 1984–85 were to the tune of Rs. 209 crores.

Today, the Coffee Board's efforts are aimed at increased production in traditional areas, while bringing non-traditional areas under Coffee to ensure adequate supplies to cope with the increasing tempo of exports and internal consumption.

The windows were locked. The burglar was not.

A treasure trove of wedding jewellery, money and silverware. Hidden away in the steel cupboard of a bedroom with locked windows. And then daylight robbery. The rude shatter of glass. The picking of a lock. A lifetime's memories stolen in minutes.

Theft. You never imagine it could happen to you. But it can. And does. That's why you need the protection of Oriental Insurance's Householder's Package Policy. For a small premium, it covers you securely against unforeseen damages resulting from fire, theft, riots, explosions, floods and storms.

And at no extra cost, the same policy covers you for personal accidents (upto Rs.10,000); baggage lost while travelling (upto Rs.1,000) and legal liabilities to the public (upto Rs.20,000 per year).

So why take chances? Especially when Oriental gives you such good value at such a reasonable cost. For details, contact the nearest office of Oriental Insurance or write to HPP, P.B. No.7037, New Delhi 110 002.

Householder's Package Policy Premiums

Estimated Sum Insured	Current Annual Premium	Estimated Sum Insured	Current Annual Premium
Rs 20,000/-	Rs 60/-	Rs 60,000/-	Rs 180/-
Rs 30,000/-	Rs 90/-	Rs 75,000/-	Rs 225/-
Rs 50,000/-	Rs 150/-	Rs 1,00,000/-	Rs 300/-

LIVE WITHOUT FEAR

Because anything can happen at any time.

Over 100 mills use Jailene.
For all seasons and every occasion,
newer, wider, better,
suiting and shirting ranges - all with Jailene.

Of course, it begins with Jailene, SPL's amazingly versatile polyester fibre. The widest denier range, with the required staple lengths The whitest colour The best dyeability. And, the maximum blend possibilities SPL's regular Technical publications give valuable information to the mills

Which other polyester fibre manufacturer would tell its customers "24 different ways to make a safari suiting", "two fold vs. three fold yarn suiting" or "coarse yarn suiting"?

That is why, both Swadeshi Polytex and Jailene remain far ahead of competitors. As do the customer mills

PREFACE

INDIA WHO'S WHO is intended primarily to serve the needs of the public at home and abroad for an authoritative source of basic biographical information about India's leading personalities who by virtue of their position and achievements have proved to be of significant value in their respective fields.

India Who's Who is today an accepted source of information and is widely referred to by all concerned. It is arranged professionwise and contains some 4000 biographies of people prominent in all walks of life, including Government, politics, civil service, business and finance, education, art, entertainment and sports, law and trade union. Only individuals active in their professions have been listed. The index catalogues all.

Each entry is updated annually. A copy is sent to the person concerned for revision and changes are incorporated accordingly. Nevertheless, many entries are not confirmed, may be because of change in addresses of the individuals concerned. An asterisk after a biography indicates repetition of the old entry for lack of latest information. Entries not confirmed for three consecutive years have been dropped. Some 200 new entries have been included this year.

Every year nearly 600 fresh bio-data forms are posted to individuals for selecting new entries. On receipt, the new bio-data forms are sent to prominent people in the respective fields for their opinion. Thereafter, our Editorial Board makes the final selection.

For easy reference, this annual publication is divided into seven main sections, each with allied professions grouped under it. Changes received or noticed later have been grouped separately as "Occurrences During Printing" which precedes the main text.

We would welcome comments and suggestions from our readers for improving the content, range and quality of the publication. While every care is taken to ensure accuracy, neither the publisher nor the printer is liable for any loss incurred through misprint or other circumstances.

Publisher.

From the dreaded drought to the life-giving flow of constant water on tap. From arid ground to green acres. From a life of little hope to a thriving, busy populace. The Changing Picture springs to colour from a drab canvas.

At Mahindra, we are happy to play this role, of a catalyst, in the development and improvement of backward areas. Kandivli or Nasik, Pimpri or Igatpuri—wherever we go, we have looked to the needs and welfare of the community. Education, housing, health-care. And even civic amenities like proper roads, drinking water, power and gardens have been our first priority.

The theme is to grow and develop together. To give back to society in no small measure, what we reap from it. This is the unwritten credo at Mahindra. A way of thinking that has become a way of life.

Since its inception in 1954, BEL has catalysed industrial advancement in India. Drawing constantly on contemporary technology, this leading electronics company develops and adapts it to Indian conditions. Accelerating industrial growth, especially in electronics.

The Development and Engineering divisions at BEL are committed to developing indigenous technology, and products, which are contemporary. Leading to achievements that make India proud.

BEL's four units manufacture equipment, components and systems for professional applications. All these are designed largely by its own D&E. The spirit of inquiry at BEL is active. Ever on the look-out for improved technologies and appropriate processes.

BEL's strength in design and production of equipment has given it the capability to take up communication systems on a turnkey basis. And thirty years as a pioneer and leader in professional electronics have resulted in BEL's capability to offer consultancy for setting up product lines. Helping India prove its electronics strengths to the world, again and again.

India's industrial capabilities. BEL has catalysed its phenomenal growth.

BEL - building India's future through electronics.

India's best-known trade mark

STC, india's premier trading house.

A name that has become synonymous with India's trade with the world. An organisation that is active in international markets—whether India is buying or selling.

STC exports over 300 products to the five continents. From handicrafts to hand tools. From leather to sports goods.

And it imports mass consumption items, to hold the price line at home—Newsprint, edible oils, chemicals.

STC is manned by trade professionals whose expertise has been tried and tested in the world's most demanding markets. Whose knowledge of Indian industry is matched by their awareness of the buyer's needs.

STC.
On the trade routes of the world.

CUMI looks briefly over its shoulder on turning thirty

1963 – The search begins for raw bauxite at Bhatia, Gujarat and in 1964 calcining begins at Okha, Gujarat.

1955 – Production of abrasives at the Tiruvottiyur Plant, Tamilnadu

1964 – The Tiruvottiyur plant adds super refractory products

1966 – Abrasive grains begin to flow out of Edappally, Kerala

1978 – Eastern Abrasive Ltd., at Calcutta, a subsidiary.

1980 – Production of resinoid bonded wheels begin at Hosur, Tamilnadu.

1984 – Murugappa Morganite Ceramic Fibres Ltd. commences production at Ranipet, Tamilnadu

1977 – Into high-tech areas — production of electrocast refractories and white aluminium oxide grains at Palghat, Kerala.

CUMI's milestones have been significant in making materials work for man. From the humble flint paper to the 80 mps Hot Press Wheels; from Super Refractories to high-tech fused-cast refractories; from mining to electro minerals and then on to energy saving ceramic fibre, CUMI has contributed significantly to the industrial growth of the country.

Member of the Murugappa Group – one of India's progressive business houses – CUMI is committed to keeping its pioneering spirit evergreen. Particularly so in the areas of resistant materials. After the successful commissioning of the ceramic fibre plant at Ranipet ... now the silicon carbide project at Koratty, Kerala.

Just 7 minutes

LIC's wait reduction plan: It'll shed a load off your time.

Some time ago a small cell in LIC started working on ways to better our customer service. A systematic reorganisation of all our offices was planned.

We tried it out as a pilot project in three divisions. We reviewed the results. They were spectacular.

In one division, the time taken for issuing new policy bonds had gone down: from an average 35 days to 10 days.

The time taken for granting loans had been cut from an average 12 days to just 3.

The waiting period at the cash counter had also been sharply reduced, from 35 minutes on an average to a mere 7.

The percentage of outstanding claims had been brought down from an average 13% to 8%.

Thus encouraged, we are implementing the reorganisation plan in 41 divisions out of our total 43 on a progressive basis. Bombay and Calcutta divisions will have separate reorganisation plans.

LIC celebrates its 29th anniversary this year with greater confidence in its ability to offer satisfactory customer service.

Peoples welfare our primary goal.

MAHARASHTRA DOES IT AGAIN
RANKS FIRST IN IMPLEMENTATION OF 20-POINT PROGRAMME

The 20-Point Programme is being vigorously implemented in Maharashtra to eradicate poverty, to secure social justice to weaker sections and to ensure bright future for the people. The State secured first position in the country for the second year in succession by achieving more than 100 per cent performance in each and every point of the programme during 1984-85.

Following are the highlights of Maharashtra's outstanding achievements:—

- Special assistance provided to 2.16 lakh below poverty line families under Integrated Rural Development Programme, of which 52,670 families belong to Scheduled Castes and 35,398 families to Scheduled Tribes.
- Financial assistance to over 2 lakh families belonging to Scheduled Castes and Scheduled Tribes.
- Rehabilitation of 319 bonded labour families.
- 327.37 lakh mandays employment provided under National Rural Employment Programme.
- Drinking Water Supply Schemes implemented on priority basis in rural areas, mitigating problem of 3,025 difficult villages.
- Additional 76,556 agricultural pumps energised and 1,194 Villages electrified.
- 5,284 hectares of surplus land distributed to landless labourers.
- 49,926 Bio-gas plants set up as alternative source of energy thereby exceeding the target by 200 per cent.
- 1,944 lakh trees planted.
- Maintained lead in implementation of family welfare programme by performing 5.65 lakh operations. Secured national award of Rs. 2.5 crores for the second year in succession. Fulfilled the target of setting up 1,062 additional primary health centres under the 'Health For All by 2,000 A.D.' Programme in 1983-84, well ahead by 10 years.
- Established 650 primary health sub-centres and 16 Integrated Child Development Blocks.
- For generating more employment opportunities 34,900 rural industries and small industries set up.
- Bagged National award for girls' education and adult education.
- Allotment of house sites to 17,144 rural landless families and financial assistance for construction of 24,629 houses.
- Three lakh slum-dwellers covered under Slum Improvement Programme.

20-Point Programme for the Masses - Maharashtra on the forefront.

We all share one ideal —STEEL

We all need steel in our lives. Think of how often steel touches your life and work and strengthens behind the scenes.

SAIL is proud of its men behind the machines — the largest talent bank in the country. But that is not the end of our quest. The challenges we face lead to others and our men meet them with a spirit of resolute dedication.

Our people gather from all over India. From diverse cultures, religions and races, motivated by the common ideal — STEEL. Inspired by a team spirit to face tomorrow's challenges.

Nothing creates a stronger human bond than an ideal that is shared. That is the STEEL bond.

Andhra Pradesh takes rapid strides on the industrial front

For the last 2½ years, Andhra Pradesh has been witnessing a rapid industrial growth. A total of 168 letters of intent, 84 industrial licences and 503 D.G.T.D. registrations have been received from Government of India. There has been a total capital investment of Rs. 838 crores and 70,000 persons have been provided employment.

New industries coming up in the Intensive Industrial Development Areas of Adilabad, Anantapur and Srikakulam districts, with an investment of Rs. 10 crores or above, offering employment to 250 persons and more are eligible for 50 acres of Government land free of cost. In case, Government land is not available, land subsidy at the rate of Rs. 5,000 per acre is given. Investment subsidy at the rate of 15% subject to a ceiling of Rs. 15 lakhs, deferred sales tax facility upto Rs. 1 crore, 25% rebate on power and water tariff are also available even to those industries being set up at a cost of less than Rs. 10 crores. There are 20 growth centres in the 7 districts of Vijayanagaram, Visakhapatnam, East Godavari, West Godavari, Krishna, Guntur and Rangareddy, where incentives on a slightly different scale are available.

The progressive industrial policy of the State has, in fact, given a major fillip to the establishment and growth of industries.

Dalda, Pears, Lux : these and other consumer products helped make Hindustan Lever a household word. Today the company is moving in a new direction, from the home to the heart of India's core sector.

Directions for growth

Today's emphasis is clearly in **technology-intensive** areas of national priority. Over 60% of the total investment in fixed assets today represents core-sector projects or sophisticated technology.

Using science with sensitivity

The company's **Research & Development** has always been attuned to India's needs. Significant R & D successes have been achieved in import-substitution of edible oils and energy conservation. A third major breakthrough is the development of a plant-growth nutrient which boosts crop yields at low cost.

Products made in India — for the world

Hindustan Lever's national distribution network, always a major strength, has gone international with exports to 57 countries. These will soon cross Rs. 100 crores, making the company one of India's biggest private-sector exporters. Consignments range from the company's own products to non-traditional goods like carpets and garments made by small-scale entrepreneurs.

A company of people

It is our people — 9,000 managers, scientists, engineers and workers, each committed to excellence — who have made us what we are. A company meeting the challenge of change. Making tomorrow happen today.

Seven Resolves For People's Welfare

- Clean and result oriented administration at every level
- More and more decentralisation of powers.
- Vigorous Drive for eradication of poverty and ensuring social justice.
- Special attention to weaker sections of society.
- Effective measures to boost up financial resources.
- Many-fold measures to gear up performance of Public undertakings.
- Effective steps to strengthen law and order mechanism..

GUJARAT MOVES FORWARD

Gujarat has, under the leadership of Shri Amarsinh Chaudhary taken series of significant measures, even during the very short span, for translating into action socio-economic philosophy of swift and sound progress and transformation. These measures vividly display the dynamism and also the well founded strategy on which the State moves forward with the speed that is needed.

- Thousands of mill workers will earn their lively hood again as a result of nationalisation of the 12 closed textile mills.
- Comprehensive planning has been made to face the present draught condition in the State. The Government of India has sanctioned Rs. 87 crores in the first phase.
- The rate of daily minimum wages of farm labourers has been increased from Rs. 9 to Rs. 11, Over 24 lakh farm-labourers as well workers engaged in relief works will be benefitted.
- New crop insurance scheme implemented phasewise.
- Modern oil-seeds plant commissioned at village Jagudan. Industrial unit for manufacturing of artificial yarn is being set up near Bharuch at the cost of Rs. 74. crores.
- Gujarat will secure a special central project for the development of the saline land of coastal areas.
- The scheme of the Ahmedabad -Baroda Autoban express highway costing Rs. 130 crores and the first of its kind in India is approved.
- The Social Security Accident Insurance Scheme for poor families in Ahmedabad, Surat, Surendranagar and Kutch districts implemented.
- Rs one thousand crore -Master plan has been prepared for the industrial development of Saurashtra area. An outlay of Rs. 500 crores will be invested in the next two years. This will provide employment to about 50 thousand people

Let us repledge for making ceasless efforts for the reconstruction of the country

SHAH, Jaysukh Jagmohandas; Prof of Botany & Head, Dept of Bio-sciences, Sardar Patel Univ, Vallabh Vidyanagar (Gujarat); b 10 Sept 24, at Jambusar (Gujarat); s of Jagmohandas & Padmaben; m, Indira; three children; Ed: M.Sc., Ph.D., Baroda; Lecturer in Botany, MTB College, Surat, 50-56; Head of Dept, Biology, P.M. Shah College, Surendranagar, 56-57; Reader: Annamalai Univ, 57-59, Sadar Patel Univ, 64-68; Prof, 68; Director, All India Summer Inst, 78; mem: Board of Studies, Baroda, BHU and Gujarat Univs; Visiting Prof: Cornell Univ, Ithaca, 76-77, Wisconsin, Madison, California, Berkeley, Duke Univ, 76; mem: Ind Delegation to 12th Botanical Congress, Leningrad, 75; U.G.C. National Lecturer, 77-78; Fellow, INSA, 80; Pres: Sanskar Mandal, Vallabh Vidyanagar, 79, Guj Biological Society, 81; mem: Ind Botanical Society, Intl Assn of Wood Anatomists; received Hari Om Ashram Awd, 69, 79, 81, 82, 83; publ about 150 papers in National and Intl Journals; Add: B/8, Univ Staff Qrs, Vallabh Vidyanagar; T: off 7155.*

SHANKARNARAYAN, Dr. K. A.; Dir, Central Arid Zone Research Inst, Jodhpur, since May 83; b 10 Oct 29; s of K. R. Ananthanarayan; m, Lakshmi; two d; Ed: M.Sc., Ph.D.; Botanist CAZRI, 60-63; Ecologist, IGFRI, Jhansi, 64-74, Head, IGFRI, 74-83; specialization in Range Mgmnt, Post-doctoral training in U.K., Germany & U.S.A.; Pres, Arid Zone Research Assn of India; mem, Board of Mgnmt, Sukhadia Univ, Udaipur and several comm of Dept of Environment & Agril Univ; published over 100 research papers; Add: Central Zone Arid Research Inst, Jodhpur; T: off 21984; res 22288.

SHARMA, Dr. Archana; Prof of Genetics, Dept of Botany, Calcutta Univ, since 74; b 16 Feb 32, at Pune (Maharashtra); d of Nandipati Mookerjea & Renuprova; m, A. K. Sharma; Ed: Ph.D., D. Sc.,; Fellow: Ind National Science Acad, Ind Acad of Sciences, National Acad of Sciences, India; council mem of numerous scientific socs in India & abroad, Gen Sec, Ind Science Congress Assn; Awd: J.C. Bose Awd in Life Sciences and National Lecturership, 80, from UGC, 74 (with A. K. Sharma), Shanti Swarup Bhatnagar Awd in Biological Sciences, 76, Padma Bhushan, 84, FICCI Awd, 84; Birbal Sahni Medal; publ seven books and more than 300 research papers; Add: Dept of Botany, Calcutta Univ, 35, Ballygunge Circular Rd, Calcutta-700019; P. Add: 2F2, 18/3, Gariahat Rd, Calcutta-700019; T: off 473681; res 461802.

SHARMA, Dr. Arun Kumar; Prof & Programme Coordinator, Centre of Advanced Study in Botany, Calcutta Univ; b 31 Dec 24, at Calcutta; s of C.C. Sharma & Shovamoyee; m, Archana; Ed: M.Sc., D.Sc.; specialization in cytogenetics & cell biology; Lecturer, Botany Dept, Calcutta Univ, 47, later Reader & Prof, National Fellow & National Lecturer, 72-76; Vice Pres, Ind National Science Acad, 77-78, (its Pres, 83-85); Pres: Genetic Assn of India, Ind Soc of Cell Biologists; Gen Pres, Ind Science Congress Assn, 81; Chmn; Central Inst of Medicinal and Aromatic Plants, 82, Advisory Cttee, Botanical Survey of India, since 82, Man and Biosphere Cttee, Govt of India, Birbal Sahni Inst of Palaeobotany; mem: Scientific Advisory Cttee to the Cabinet, GOI, Exec Cttee, IUBS, Board of Advisors, Intl Cell Biology Congress, Tokyo, 84; Pres, Federation of Asian Scientific Academies and Societies; Awd: S.S. Bhatnagar Awd for Biological Sciences, 67, Jawaharlal Nehru Fellowship, 72, Paul Bruhi Medal, 72, Birbal Sahni Medal 74, J.C. Bose Awd (Jointly with Dr A Sharma), 76, Ind National Science Acad Silver Jubilee Medal, 76, FICCI, 79, Padma Bhushan, 83; publ, *Chromosome Techniques—Theory and Practice* (jointly with Dr. A. Sharma), and about 350 papers; Add: Dept of Botany, Calcutta Univ, 35, Ballygunge Circular Rd, Calcutta-700019; P. Add: Flat 2F2, 18/3, Gariahat Rd, Calcutta 700019; T: off 473681; res 461802.

SIDHU, L.S.; Prof, Human Biology, Punjabi Univ; b 5 March 39, at Sarangpur (Chandigarh); s of J. S. Sidhu; m, Majit; one s, two d; Ed: M.Sc.; Ph.D., Dip in Human Biology; Fellow, C.S.I.R., 64-65; Lecturer, Panjab Univ, Chandigarh, 68-70, Lecturer, Punjabi Univ, 70-71, Reader, 71-81; Prof. & Head 81; Dean, Faculty of Life Sciences, 82, & Dean, Students' Welfare, 83; Pres, Ind Assn Sports Science and Physical Ed; Fellow: Genetic Soc. of India, Human Biology Council; life mem: Ind Assn of Sports Medicine, Ind Anthropological Soc, Ethnographic & Folk Culture Soc; founder mem: Intl Assn of Human Biologists, Ind Assn of Physical Anthropologists, Research Cttee, Intl Council of Sports Sciences and Physical Ed; Add: Dept of Human Biology, Punjabi Univ Patiala-147002; P. Add: Sarangpur Vill, Chandigarh; T: off 3262/77.

SUBRAMANIAN, Dr. Chirayathumadom Venkatachalier; Sr Prof of Botany & Dir, Botany, Madras Univ, since 73; b 11 Aug 24, at Ernakulam (Kerala);

s of C.M. Venkatachalier & Parvathi; m, Subbalakshmi; two s; Ed: B.Sc. (Hons), M.A., Ph.D., D.Sc.; Sr Lecturer, Madras Univ, 51-53, Reader in Botany, 53-58, Prof of Plant Pathology, IARI, New Delhi, 58-60, Prof & Head of Botany Dept, Rajasthan Univ, 60-64, Prof of Botany, Centre of Advanced Studies, Madras Univ, since 64, Sr Prof of Botany & Jawaharlal Nehru Fellow, Madras Univ, 76-78; Fellow: Ind Acad of Sciences, 54, Ind National Science Acad, 61; mem; Belgian Royal Acad, 78, UGC, 78-82, elected corresponding mem, Mycol Soc, Amer, 82; Awd: S.S. Bhatnagar Awd for Biological Sciences, 65, Birbal Sahni Medal, 72, Kidwai Memorial Prize, 72-73; Pres, Intl Mycol Assn, 77-83, Mycol Soc India, 85; mem, Exec Cttee IUBS, 79-82; Editor *Kavaka;* Add: Botany Laboratory, Madras Univ, Madras-600006; T: off 848778; res 423299.

Zoology

BALAKRISHNAN NAIR, Dr. Narayana; Prof of Marine Biology & Fisheries, & Head of Dept of Aquatic Biology & Fisheries, Kerala Univ, since 68; Vice-Chmn, State Cttee on Science & Technology, Kerala Govt; b 6 July 27, at Perumbavoor (Kerala); s of P. Narayana Pillai & Lakshmikutty Amma; m Gomati Amma; one s, one d; Ed: M.A., Ph.D., D.Sc.; specialisation in marine biology; Lecturer & later junior Prof, Alagappa College, Karaikudi, 49-56, Prof & Head of Postgraduate Studies, Thiagaraja College, Madurai, 59-61, Reader, Univ of Madras, 61-62; Dean, Faculty of Science, Kerala Univ; Fellow: Ind National Science Acad, Ind Acad of Sciences, Zoological Soc of India, Zoological Soc, London, National Fellow, UGC, 79-82, National Academy of Sciences of India, Jawaharlal Nehru Fellow, 82-84; mem, Marine Biological Assn of India; Awd: Shanti Swarup Bhatnagar Awd, 71, All India Congress of Zoology Gold medal, 80, Padma Shri, 84; Add: Head, Dept of Aquatic Biology & Fisheries, Kerala Univ, Trivandrum-695007; T: off 71584 res; 63746.

BOSE, Dr. Kartic Chandra; b 17 Sept 23, at Allahabad (U.P.); s of Dhirendra Nath & Asha; single; Ed: M.Sc., D. Phil; served in Govt Agri College, Kanpur, 46-47, Allahabad Univ, 47-51, Rangoon Univ, 51-53, Bihar Univ, 53-60, Ranchi Univ, 60-80; Dir of Summer School in Biology, 65; Pro Vice-Chancellor, Ranchi Univ, 81-84; Vice-Chancellor, 80-81; Fellow: National Acad of Sciences, Zoological Soc of India, Entomological Soc of India, Zoological Soc of London; founder mem & treasurer, Intl Soc of Ichthyology & Hydrobiology; Pres: Acad of Zoological Sciences, Section of Zoology, Entomology & Fisheries, Ind Science Congress Assn, 80, Mysore, Hydrobiology & Pollution, Natl Environmental Science Acad; mem, Senate, Syndicate & Acad Council of Ranchi Univ; Add: Bose Avenue, P. P. Compound, Ranchi-834001; T: res 22454.

DEORAS, Dr Purushottam Jaikrishna; Post-Graduate Guide, Bombay Univ; b 20 July 09, at Bilaspur (M.P.); s of Jaikrishna & Radhabai; two s, four d; Ed: M.Sc., LL B, PhD (Dunelm); Prof, Zoology, Fergusson College, Pune, 43-46, Entomologist, Geigy Insecticides, Bombay, 46-50, Asst Dir, Haffkine Inst, 51-69; Fellow, Entomological & Zoological Soçs of India; Mem: WHO Advisory Panel on Plague, 56-80, Intl Soc of Toxinology, Los Angeles, New York Acad of Science, 61; published *Snakes of India*, 81 & 115 papers in scientific journals; Add: 1, Anandwan, Sahitya Sahawas, Bandra (E), Bombay-400051; T: 6428067.

FOTEDAR, Dr. D.N.; Prof of Zoology & Head of Post-graduate Dept of Zoology, Kashmir Univ, since 69; b 15 Oct 23, at Srinagar (Kashmir); s of S.S. Fotedar; m, Lakshmi; two s; Ed: M.Sc., Aligarh, M.Sc., Ph.D., London; Prof & Head of Zoology Dept, S.P. College, Srinagar, until 60; Dean, Faculty of Science, Kashmir Univ; Fellow: Zoological Soc of India, Helminthological Soc of India (its Vice-Pres), Academy of Zoology; mem: Ind Science Congress Assn, National Acad of Sciences, Ind Bioscientific Assn, Nematological Soc of India; Awd, Bhalerao Gold Medal, 78; publs, 105 research papers, participated in 3rd and 4th ICOPA at Munich, 74 and Warsaw, 78; visiting Prof Acad Science, USSR (71, 81), Sri Lanka, Singapore and Malaysia (78-79); Add: Dept of Zoology, Kashmir Univ, Srinagar-190006; P. Add: Karannagar, Srinagar (Kashmir) T: off 72231; res 73925.*

GHOSH, Dr. Asok; Sir Nilratan Sircar Prof of Zoology & Head of Dept, Calcutta Univ, since 74; b 20 Jan 27; s of Charuchandra & Charubala; m. Ira; one s; Ed: M.Sc., McGill, M.Sc., Ph.D.; specialization in Endocrinology; joined Dept of Anatomy of McGill Univ, Montreal, 54, joined W. Bengal Veterinary College as Faculty mem, 56, became faculty mem of Calcutta, Univ, 57, visiting Endocrinologist, California Univ, 61; Pres, Ind Science Congress, 73; Fellow, Ind National Science Acad, National Lecturer, UGC, 78; awd, Hari Om Trust Award, 79, Asiatic Soc Medal (Zoology), 84; Add: Dept of Zoology, Calcutta Univ, Calcutta-700019; P. Add: 19 A, Ballygunge Place, Calcutta-700019.

GURAYA, Sardul Singh; Prof & Head of Zoology, Punjab Agri Univ, since 71; b 12 Oct 30, at Kot Majlis (Punjab); s of Banta Singh & Nihal Kaur; m, Surinderpal Kaur; two s, one d; Ed: B.Sc. (Hons), M.Sc., Ph.D., D.Sc.; Asst Prof. Gorakhpur Univ, 60-62; Post-doctoral Fellow of Population Council, USA, 62-65: Reader, Udaipur Univ, 66-71; Awd, S.S. Bhatnagar Awd, 73, Gold medal at 6th Intl Congress, Paris, 68. National Lecturer, UGC, GOI, 76-77; Fellow, INSA; mem, Intl Cell Research Organisation; mem Exec: Ind Soc of Comparative Endocrinology, Ind Soc of Invertebrate Reproduction; publ, more than 280 research papers and 4 books; Add: Punjab Agri Univ, Ludhiana; P. Add: 443, Model Town, Ludhiana; T: off 382.

KANUNGO, Dr Madhu Sudan; Prof of Zoology, Banaras Hindu Univ, since 70; b 1 April 27, at Berhampur (Orissa); s of K.C. Mohanty; m, Sarat; three s; Ed: M.Sc (Zoology), Ph.D (Physiology), Illinois, USA; specialization in biochemistry of aging; Lecturer in Zoology, Ravenshaw College, Cuttack, 52-61, Reader in Zoology, Utkal Univ, 61-62, in Banaras Hindu Univ, 62-69, Head of Dept of Zoology, 74-76, 80-82; mem-sec, high-level Cttee on ICAR, 72-73; Fellow: Ind National Science Acad, Ind Acad of Sciences; National Fellow, National Lecturer, UGC; life mem, Soc of Bio-

ASWATHANARAYANA, Dr Uppugunduri; Prof & Chmn, Dept of Geology, Univ of Dar-es-Salaam, Tanzania, since 80; b 1 July 28, at Vallur (A.P.); s of Sudarsana Rao & Sitamma; m, Vijayalakshmi; two s, three d; Ed: M.Sc., D.Sc.; specialization in geochemistry & nuclear geology; Lecturer, Andhra Univ, 54-57, Reader, 57-66, Associate Prof, Univ of W. Ontario, Canada, 66-67, Prof of Geology, & Head, Centre of Advanced Study, Saugar Univ, Saugar, 67-80; Sec, IAGC, W.G. on App, Geo Chem; Add: Dept of Geology, Box 35052, Univ of Dar-es-Salaam, Dar-es-Salaam, Tanzania.

DESHPANDE, Dr Balkrishna Ganesh; Hon Prof, Maha Assn for the Cultivation of Science, Pune, since 83; b 29 Nov 11, at Aundhe (Maha); s of Ganesh Sitaram & Saraswatibai; m, Shashi; Ed: M.Sc., Ph.D., Poona; specialization in petroleum geology and hydrogeology; joined Geological Survey of India, 36, Ind Bureau of Mines, 52, ONGC, 56, Univ of Poona, 70; Prof of Geology, Univ of Dar-es-Salaam, Tanzania, 77-83; Fellow: National Acad of Sciences, Maharashtra Acad of Science, Geological Soc of India, Geological, Mining & Metallurgical Soc of India, Ind Soc of Hydrogeologists; was-Pres, Soc of Earth Scientists, Pune; P. Add: B-204, Ashit Apartments, Sudhir Pawar Path, Modi Baug, Pune-411016; T: res 58824.

GAUR, Dr Vinod Kumar; Dir, National Geophysical Research Inst, Hyderabad, since 83; b 11 July 36, at Azamgarh (U.P.), s of Indra Bahadur & Shanti; m, Eryl Jeanne; two d; Ed: M.Sc., DIC, Ph.D.; Scientific Officr, National Physical Laboratory, UK, 59-61, Reader in Geophysics, Roorkee Univ, 62-66, Prof of Geophysics, Roorkee Univ, 66-83, Fellow: Ind National Science Acad, Ind Acad of Sciences; Awd: Khosla Research Awd & Shanti Swarup Bhatnagar Awd; Add: Dir, National Geophysical Research Inst, Hyderabad-500007.

GUPTA, Harsh Kumar; Dir, Centre for Earth Science Studies & Project Dir, KMEDP, Trivandrum, since 82; b 28 June 42, at Moradabad (U.P.); s of Vishnu Kumar & Sushila; m, Manju; two children; Ed: M.Sc., Ph.D.; Associate, Ind School of Mines, Dhanbad, 63; Fellow: Seismology & Earthquake Engg, Tokyo, 66-67, UNESCO 71-72; Scientist, National Geophysical Research Inst, Hyderabad, 64-82; Adjunct Prof, Univ of Texas; Chmn, Inter Union Comm Lithosphere; Awd: Ind School of Mines Golden Jubilee Awd, 77, Krishnan Gold Medal, 78, Outstanding Young Person Awd, 79, S. S. Bhatnagar Awd, 83, 100 years of the Intl Geophysics Medal of the USSR Acad of Sciences, 85; publs: *Dams and Earthquakes*; *Geothermal Resources: An Energy Alternative*; led the third Indian Scientific Expedition to Antarctica, 83-84; Add: Centre for Earth Science Studies, Trivandrum-695010; P. Add: National Geophysical Research Inst, Hyderabad-500007; T: off 68083 & 65937; res 68176.

JACOB, Dr. Kurien; b 5 March 10, at Calicut (Kerala); s of W.T. Jacob & Mary; m, Dr. Chinna; one s, two d; Ed: M.Sc., Ph.D., D.Sc.; worked in Geological Survey of India, 40-50, Head of Dept of Airborne Mineral Surveys & Exploration, Min of Mines & Metals, GOI, 65-69; was Sr UN expert in Geology in Brazil, 58-64; held the Chair of Philosophy of Geology, Univ of Recife, Brazil, 62-64; was mem, Ind National Comm for UNESCO; Visiting Prof of Marine Geology, Cochin Univ, 76-78; mem, Board of Mgmnt, Geological Survey of India; Vice-Pres, Geological Soc of India; Adviser, UPSC; Fellow: Ind National Science Acad, 49, Explorers' Club, USA, World Centre for Exploration, 80; P. Add: 52/A, 17th Main Rd, Koramangla, IV Block Bangalore-560034.

KARUNAKARAN, Cheruvari; Mgr, Wedgewood Centre for Environment Museum and Research, and Lecturer, Environmental Studies, Kodaikanal (T.N.), since 83; b 6 May 17, at Tellicherry (Kerala); s of Sankunni; m, Nalini; one s, four d; Ed: M.Sc., (Geology); Asst Geologist, Mineral Survey, U.P., 38-40, Prospecting Geologist, Ajax Products Ltd, 40, Lecturer in Geology, Andhra Univ, 41-48, Geologist, Geological Survey of India, 48, Senior Geologist, 51, Dir, 58, Dep Dir-Gen, 67, Dir-Gen, 74-75; Offcr on Special Duty, ONGC, 75-77; Chmn: Earth Science Panel, CSIR, Research & Dev Council, ONGC, 76-77; Founder-Pres, Geoscience & Technology Assn, Inst of Ind Peninsular Geology; Tech mem, Kerala State Planning Board, 77-80; Dir, Centre for Earth Science Studies, Trivandrum, 78-84; Pres: Wadia Inst of Himalayan Geology, 80-82, Ind Acad of Geo-Sciences, board of governors of Peninsular Geology; mem: Ind Science Congress Assn, Environmental Research Cttee, Dept of Science and Technology, GOI, Iron Ore Dev Comm, Geoscientific Advisory Comm, Min of Petroleum, Geological Soc of India, Ind National Cttee on Oceanography, Explorers' Club, USA, cttee on Science Technology for Dev, 80-82; Add: Furz Bank II, Kodaikanal (Tamil Nadu); P. Add: The Retreat, Tiruvangad, Tellicherry, Kerala-3.*

KRISHNASWAMY, Vengangudi Srinivasa; b 19 Sept 23, at Madras; s of A. Srinivasan & Seemasammal; m, Rajalakshmy; two s, three d; Ed: B.Sc., (Hons) Madras; higher training in Engg Geology at US Bureau of Reclamation; Prospecting Geologist, Tata Iron & Steel Co Ltd, Jamshedpur, 45-46, Asst Geologist, Geological Survey of India, 46, Geologist (Junior), 51, Geologist (Senior), 55, Dir, 59, Dep Dir-Gen, 72-77, in charge of Airborne Surveys & Exploration, 77, Dir-Gen, Geological Survey of India, 78-83; Vice-Pres: Comm for Geological Map of World, Intl Assn of Engg Geology; Fellow, Geological Soc of India: past Pres, Ind Soc of Earthquake Technology; P. Add: C/o Dr. V. S. Annaswamy, PO Sirkali-1. (T.N.); T: off 233771; res 456196*

LAL, Dr. Devendra; Senior Prof., Physical Research Laboratory, Ahmedabad, since 83; also Prof, Univ of California, San Diego, since 67; b 14 Feb 29, at Varanasi (U.P.); s of Radhe Krishna & Sita; m, Aruna; Ed: M.Sc., Ph.D.; specialization in Nuclear Physics & Chemistry as applied to earth & space sciences; served in TIFR, 49-72, Dir, Physical Research Laboratory, 72-83; Fellow: Ind National Science Acad, Ind Acad of Sciences, Ind Geophysical Union, Royal Soc, London; Hon Fellow, Ind Soc for Prehistoric & Quarternary Studies: Foreign Associate, US National Acad of Sciences, 75; Awd: Krishnan Medal from Ind Geophysical Union for Geochemistry & Geophysics, 65, Shanti Swarup Bhatnagar Awd, 67, FICCI awd 74, D.Sc. 56, Principal, Govt College, Chandigarh, 56, Prof & Head of Dept of Maths, Panjab Univ, 54-66; Dir, UGC Centre for Advanced Study, Panjab Univ, 63-66; Pres, Ind Mathematical Soc, 63; Fellow, Ind National Science Acad; Visiting Prof: Colorado Univ, Arizona Univ, Alberta Univ; represented Ind National Science Acad at Intl Congress of Mathematicians at Vancouver, 74; mem: American Mathematical Soc, Edinburg Mathematical Soc; Hon Fellow, National Acad of Sciences, India; Sectional Pres, Ind Science Congress, 64; received Mathematical Assn of India Awd 79; publs: *Tables of Partitions*; *Representations of Primes by Quadratic Forms*; *Symmetric Functions in the Theory of Integral Numbers*; *Selected Topics in Number Theory:* Add: Dept of Maths, Panjab Univ, Chandigarh-160014; P. Add: 26, Guru Nanak Nagar, Naini, Allahabad-211008.

KHATRI, Dr Chinubhai Ghelabhai; Prof of Statistics, Gujarat Univ, since 69; b 4 Aug 31, at Patan (Gujarat); s of Ghelabhai Govindram & Radhaben; m, Kanakben; five d; Ed: M.Sc., Ph.D.; Lecturer in Statistics, M.S. Univ of Baroda, 55, Reader in Statistics, Gujarat Univ, 62, Prof. Ind Statistical Inst, 67; Fellow: American Statistical Assn, Inst of Statistical Maths, Ind National Science Acad; mem: Intl Statistical Inst, Ind Statistical Assn, Ind Statistical Inst, Gujarat Statistical Assn; publ two books & 170 research papers; Add: Dept of Statistics, Gujarat Univ, Ahmedabad-380009; P. Add: 7, Jay Mangal Society, Ahmedabad-380013; T: off 440958.

KUSHWAHA, Ram Singh; Sr Prof of Maths, Jodhpur Univ, since 63; b 1 March 22; Ed: M.Sc., (Maths), D. Phil (Maths), Ph.D. (Astronomy); Add: Dept of Maths, Univ of Jodhpur, Jodhpur.*

LAL, Dr Krishna; Prof of Maths, Faculty of Science, Banaras Hindu Univ; b 31 July 35, in Faizabad Dist (U.P.); s of Bhagwan Din Singh & Renu Devi; m, Dr. Nirmala; two s; Ed: M.Sc., Dip in Statistics, Banaras, D. Phil, D.Sc., Allahabad; taught Engg Maths, Banaras Hindu Univ, 62-68; Add: Faculty of Science, Banaras Hindu Univ, Varanasi; P. Add: G/3, Beyond Ladies Colony, Banaras Hindu Univ, Varanasi-221005.

MAZUMDAR, Dr. Jagan Nath; Applied Mathematician, Biomedical Scientist; b 2 Sept 34, at Purulia; s of Santosh Kumar and Bimla; m, Maya Rani; two s; Ed: B.Sc. (Hons); M.Sc., Ph.D., (Moscow), Ph.D. (Adelaide); Asst Prof, Inst Teach, Bihar, 57-62; Research Fellow, Moscow State Univ, 62-66; Sr Lecturer, Applied Math, Adelaide Univ, 66-72, Reader, Chmn, 80; Visiting Prof, SUNY-Story Brook, 72-73, Mich. State Univ; East Lanning, 77-78; Chmn, Australian College of Physical Scientist in Medicine; 80-82; Pres, Ind Australian Assn, Adelaide 75-76; Mem: Australian Math Soc; publ: *Applied Physiological Machanics*, (80); *Advances in Cardiovascular Physics*, (79); Awd: Indo-Soviet Cultural Exchange Awd, 62-66, Intl Science Exchange Awd, Govt of Canada, 82; Fellow: Australian College of Physical Scientists in Medicine (FACPSM); Add: Dept of Applied Maths, Univ of Adelaide, Box 498, GPO, Adelaide, South Australia, 5001.

NARASIMHAN, Dr. Mudumbai S.; Senior Prof of Maths, TIFR, Bombay, since 75; b 7 June 32, at Thandarai (T.N.); s of Seshachalu Iyengar & Padmasani; m, Sakuntala; one s, one d; Ed: B.A. (Hons), Ph.D.; specialization in partial differential equations, differential & algebraic geometry; joined TIFR, 53; Fellow: Ind Acad of Sciences, Ind National Science Acad; Add: TIFR, Homi Bhabha Rd, Bombay-400005; T: off 219111; res 212454.

NARASIMHAN, Dr Rangaswamy; Research Scientist & Prof, TIFR,; b 17 April 26, at Madras; m; Ed: B.E. (Hons), M.S. California Inst of Technology, USA, M.A., Ph.D., (Maths), Indiana Univ, USA; specialization in computer science; worked on logical & system design of first digital computer to be designed, built & operated in India; worked in Digital Computer Laboratory, Illinois Univ, 61-64, developed a model for visual data processing, Associate Prof & Head of Computer group, 64; Prof, 66, Senior Prof, 73, Dir, Nat Centre for Software Dev & Computer Techniques, 74; Pres, Computer Soc of India, 64-69; Chmn, Computer Maintenance Corpn, 76-79, Fellow: Ind Acad of Sciences, Ind National Science Acad, Jawaharlal Nehru Fellow, 71-73, Computer Soc of India, 79; Awd: Padma Shree, 76, Dr. Homi Bhabha Awd, 76; publ *Modelling Language Behaviour* (81); Add: TIFR, Homi Bhabha Rd, Colaba, Bombay-400005; T: off 219111; res 211881.

PASSI, Inder Bir Singh; Prof of Math, Panjab Univ, since 79; b 20 Aug 39, at Bilaspur (Haryana); s of Hukam Chand & Jasmer Kaur; m, Surinder; two d; Ed: M.A., Ph.D.; Lecturer: National College, Sirsa 60-61, Kurukshetra Univ, 61-67, Reader, Kurukshetra Univ, 67-75, Prof, 75-79; life mem, Ind Mathematical Soc; received S.S. Bhatnagar Prize, 83; Add: Dept of Math, Panjab Univ, Chandigarh-160014; P. Add: 381/38 A, Chandigarh-160036; T: off 23517.

PRASAD, Phoolan; Prof, Applied Math, IISc since 67; b 1 Jan 44, at Khejuri (Ballia Dist, U.P.); s of Lalu Prasad & Mangali; m, Mandra; one s, one d; Ed: B.Sc., M.Sc., Ph.D., F.N.A.Sc, F.A.Sc., specialisation in Waves & Differential Equations; worked at Univ of Leeds, 70-72, Allahabad, 75-76, Karlsruhe, 80-81, Vienna, 82; written a book on Partial Differential Equation (Jointly with John Wiley & Wiley Eastern); received S. S. Bhatnagar Awd, 83 (jointly); Add: Dept of Applied Math, IISC, Bangalore-560012; P. Add: 927-928, 7th Cross Gokul, HMT Layout, Bangalore-560054; T: off 34411/265.

PARTHASARATHY, Dr. K. R ; Distinguished Scientist, Ind Statistical Inst; b 25 June 36, at Madras; s of Srinivasa Rangachari & Pichammal; m, Shyamala; two s; Ed: B.A. (Hons), Ph.D; specialization in Probability Theory and quantum Stochastic Calculus; Associate Prof, Ind Statistical Inst, Calcutta, 63-65, Lecturer, Sr Lecturer & Reader, Sheffield Univ, 65-68, Prof of Mathematical Statistics, Manchester Univ, 68-70; Prof, Centre of Advanced Study in Maths, Bombay Univ, 71-73, Prof of Maths, IIT, Delhi, 73-77; Publs: *Probability Measures on Metric Spaces* (66); *Introduction to Probability and Measure* (77); Add: Ind Statistical Inst, 7, S.J.S.S. Marg. New Delhi-110016.

And a lot to do with the health of your gums.

If your gums aren't healthy, you could suffer from bad breath.

This is a medical fact.

And, no amount of care for your teeth alone can really help. Not even with the strongest flavoured toothpaste.

But there is one proven way to care for both your teeth and your gums. The famous Forhan's way.

Forhan's isn't an ordinary toothpaste. It was specially created by a dentist who understood the vital importance gums played in the health of your teeth.

Weak gums lose their grip on the teeth and allow odour-causing bacteria to collect.

Forhan's has an exclusive astringent which actually tightens the gums and keeps them firm and healthy. And your breath clean and fresh.

If you haven't started using Forhan's yet, do so.

As the years go by, you'll understand why millions trust the special care of Forhan's.

Forhan's—the toothpaste for your gums.

Allotment for Tribal & Harijan Welfare doubled in Seventh Plan

* In Madhya Pradesh provision for Tribal & Harijan Welfare activities has been almost doubled in the Seventh Five Year Plan against the amount spent during the Sixth Plan period.

* Rs. 160.74 crores has been earmarked for the Welfare of Tribal Welfare activities in the Seventh Plan while Rs. 83.26 crores was spent during the Sixth Plan period.

* There is increase of Rs. 229 crores in the provision for Harijan Special Component Plan in the Seventh Five Year Plan. A provision of Rs. 413 crores has been made under the Harijan Special Component Plan against Rs. 184 crores spent during Sixth Plan period.

* Rs. 43.23 crores has been set apart for the implementation of special food and midday meal programmes in the Seventh Plan period to benefit 27 lakh children and expectant mothers.

* Integrated children's development programme to be extended to all tribal developments blocks during the Seventh Plan.

A Govt. committed to the uplift of Tribal people

"हम सबके लिए और सब हमारे लिए"

देश की अखण्डता और आजादी को हमारे आपसी मतभेदों से ही खतरा होता है। उसकी समृद्धि और शक्ति के लिए स्वदेशवासियों को एक दूसरे का हाथ पकड़ कर साथ-साथ खड़ा होना होगा। स्वदेश में अमन चैन की गारंटी है हमारी एकता और परस्पर सहयोग।

"हम सबके लिए और सब हमारे लिए" की भावना से ही काम कर हम अपने छोटे-मोटे झगड़े सुलझा सकेगें। क्या हम धर्म की आड़ में अकारण ही आपसी वैमनस्य बढ़ाकर या छुआछूत जैसी सदियों पुरानी गलत परम्पराओं को स्वीकार कर, राष्ट्र को एक रख सकेगें ? विघटन और विद्रोह की बात वहीं उभरती है जहां असन्तोष होता है और भेदभाव से असन्तोष की आग भड़कती है। इसलिए विचार और व्यवहार दोनों में विभेद की बू नहीं होनी चाहिए।

एकता की नींव पर ही मजबूत और खुशहाल देश की इमारत खड़ी की जा सकती है। आपसी सहयोग और परस्पर सद्भाव से हो राष्ट्र निर्माण का कार्यक्रम सफल हो सकता है। एक संस्कृति, एक इतिहास, एक नैतिक मानदण्ड, भविष्य की एक कल्पना, अनादि काल से एक भौगोलिक पृष्ठ भूमि और सुख-दुख की एक सी अनुभूति को देखते हुए हम सरलता से अलगाव की ताकतों को कुचल सकेगें। यही हमारा प्रयास होना चाहिए।

A MARATHON RUN BY MSRTC BUSES

Today, Maharashtra State Road Transport Corporation is acclaimed as the biggest organisation of its kind in the world. Its 11,280 buses ply on a network of 11,596 routes, carry over 38 lakh passengers and run on the average 23 lakh kilometres every day. This amounts to circling the globe 56 times daily and over 20 thousand times every year. A marathon run indeed!

Every seventh bus on road amongst the nationalised passenger road transport undertakings in India belongs to MSRTC; and with its 83,110 employees it is perhaps the largest single employer in Maharashtra after the State Government.

DDA In Delhi's Development

Of many ruling powers and dynasties that Delhi has had in the last 500 years, each had vied with the last to leave its own imprint on the city of Delhi. It was, however, left to the people of Independent India, and its nation building agencies to build Delhi as cosmopolitan city in the image of its variegated glory.

In this historic task, the Delhi Development Authority (DDA) constituted by the Government in 1957, has played a major role as the Implementing Agency for the Delhi Master Plan designed to tackle challenges posed by a city pulsating with new life after Independence.

Today DDA has emerged as the pace-setter in urban development. On one hand it undertook a gigantic and assemblage enterprise to launch India's most active public housing programme, earmarking about 70% of its solely for the weaker sections. It has built over 100,000 houses. Over 97% of the plots in India's first and Asia's biggest project, Rohini, have been earmarked for the weaker sections. The project when complete will accommodate nearly 900,000 people. On the other, it undertook world's largest ever peacetime resettlement programme, rehousing a population of over 10 lakh people providing shelter and wherewithals of modern living to the erstwhile homeless.

In between, it successfully embarked on decentralisation of business districts to solve the problems of city congestion and traffic that is the bane of metropolises around the world. The places of work, shopping and recreation have been brought in close proximity to the places of living. For effective micro-level development DDA has divided urban Delhi into 9 broad Planning Divisions and 139 Development Zones. Each division has been conceived as a self-sufficient unit in residential, commercial, social and recreational facilities.

And yet, in the midst of such pressing priorities, the unique 'green' character of Delhi was not only preserved but vastly enhanced by bringing under afforestation about 7,000 hectares of land with features like 55 wood-lands, 830 parks, 15 rock gardens, 11 lakes mostly around monuments and 90 lakh trees. The advance of the desert has been arrested for good through planting forests in the open spaces between the outcorp of the semi-extinct Aravalis.

UNTAPPED YOUTH ENERGY HARNESSED AND TURNED INTO A POWERFUL VIABLE FORCE

* The J.P. Narayan National Youth Centre at Vidyanagar trains over 4,000 youth per year in various disciplines. At Kumbalgoud, the Training Centre for Women enables them to become better prepared to face life.
* Leadership training programmes, youth camps and rallys are organised.
* The Rural Youth Centres are planned in each Taluk to act as a meeting place, to exchange ideas, to inspire the rural youth.
* The Government gives special importance to Sports—it means a healthier and more disciplined Nation. To encourage the youth many facilities are provided.
  * Financial assistance to sports organisations.
  * "Catch them young programme" for boys & girls.
  * Sports school at Kudige in Kodagu.
  * Financial assistance and cash awards, scholarships to talented sportsmen and sports women.
  * Rural sports centres.
  * Technical College admission priorities to outstanding sportsmen and women.
  * Championship tournaments, sports meets, mass sports.
  * Coaching camps and training centres.

CITIZENS OF DELHI

Electricity From Domestic Waste

* Delhi Administration with the assistance of the Department of Non-Conventional Energy Sources, Govt. of India is the first in the country to take the initiative to extract combustible gas and eventually generate electricity from a sanitary landfill at Timarpur. Landfills are used for disposing of municipal solid wastes.

* The process is simple. Using perforated pipes, a well is bored into a sanitary landfill and then a vacuum created at its bottom. The vacuum sucks the gas which is then fed into a nearby generator through pipes for producing electricity.

* Eight such wells have already been bored 200 feet apart from each other. One well is adequate for one acre of landfill to produce 100 kilowatts of electricity and thus ten acres can produce 1000 kilowatts (one Megawatt) of electricity. The Timarpur landfill is spread over about 80 acres and so has the potential to produce 8 Megawatts of electricity.

* The cost per well is approximately Rs 10 lakhs which includes installation of generators, compressor pumps and pipes.

* The cost of electricity so produced has been worked out to be just 10 Paise per unit as compared to about 60 Paise per unit through the conventional methods of power generation.

* At present there are about 50 landfills in use by different agencies like the MCD, DDA, NDMC and the Cantonment Board in Delhi. About 8000 tonnes of garbage is generated per day in the Union Territory of Delhi. This quantity is likely to double by the turn of the century.

* The gas is formed through bacterial action on garbage through fermentation process. This process is commom in nature.

The peak consumption of electricity in Delhi is 850 Megawatts per day and it is increasing at a rate of 15 per cent per annum.

* If the entire refuse of Delhi is systematically taken to the landfills, Delhi will have the potential to produce about 60 Megawatts of electricity a day which will be equal to about 8 per cent of the total peak demand. This per day generation can be further increased by 16 Megawatts annually. Electricity so produced can be fed into DESU's grid for distribution to consumers.

* A single landfill is sufficient for generating electricity for a minimum period of 10 years. After this the refuse can be taken out of the landfill and used as valuable manure. The emptied landfills can be refilled with urban waste and this cycle can continue indefinitely.

* At present the gas formed in the landfills is diffusing into the atmosphere and is polluting the environment. This new project would serve a dual purpose; help check pollution and keep the environment cleaner and also, to an extent, meet the growing electricity demand of the Capital.

If you have any ideas for augmenting the production of electricity through some other means, please write to

JAG PARVESH CHANDRA
Chief Executive Councillor

A NEW STAR APPEAR IN THE HORIZON

KRIBHCO, a new star in the horizon, has emerged in the industrial skyline of India. The Rs. 958 crores fertiliser project has started production of urea. With full capacity utilisation the plant is designed to produce 14.5 lakh tonnes of urea annually providing direct employment to 2,000 people and with a potential of indirect employment to many. KRIBHCO promises plenty and prosperity to Indian farmers and aims at raising their living standard through integrated rural development.

Krishak Bharati Cooperative Limited

Nagaland is poised for a big leap forward during the seventh five Year Plan.

During the next Five years, Nagaland ambitiously aimed for:—

1. a separate University.
2. 500 bedded Referral Hospital near Dimapur
3. a Youth Hostel at Dimapur
4. an Engineering College.
5. A Modern Stadium Complex at Kohima
6. Construction of New Capital Complex with modern amenities.
7. Supply of Drinking Water and Electricity to all the villages in the state.
8. Commissioning of Doyang Hydel Project with 105 MW capacity.
9. A mining School and a woman Polytechnic at Kohima

These are but a few major projects to be undertaken during the 7th Plan. But all these and others aim for the creation of a new Nagaland with more productivity and more employment opportunities. Achievement of Self-Sufficiency in food is another important aim of the State Government.

Issued by the Directorate of Information and Public Relations, Nagaland, Kohima.

The shape of *things to come in* Arunachal Pradesh.

The Union Territory of Arunachal Pradesh, the fascinating land of the dawn-lit mountains in the north-eastern tip of India is pulsating with vigorous activities on developmental, economic, social and cultural upliftment.

The enormous hydel potential is being exploited for generation of power to dispel gloom and usher in prosperity.

Oil has been struck in Arunachal. It has marked the beginning of great achievement.

The vast forest wealth has been put into industrial use. Thus large forest based industries have been in the offing.

Light of education and health-case have reached the remotest corners of the territory.

Preservation and promotion of traditional culture, dance and folk arts have unfolded the glorious cultural heritage of colourful and hospitable people.

The land of the dawn-lit mountain is marching rapidly towards a new dawn of peace, prosperity and happiness.

Issued by the Director of Information and Public Relations, Government of Arunachal Pradesh, Naharlagun-791110.

ON 25TH YEAR OF SERVICE IDC MEANS
A LOT OF THINGS TO LOT OF PEOPLE.

On Golden Jubilee Year of Orissa IDC celebrates its Silver Jubilee and announces its readiness to meet the future challenges.

IDC means Diversifications.

IDC is forever extending and improving its range of products and services, opening up new vistas of opportunity and contributing to the economic and industrial growth of Orissa and the country.

This picture of Laxmi is from the Glaxo audio-visual "Let My Child See" on Xerophthalmia.

Glaxo in its contribution to disease prevention has especially devised audio-visual productions (slide-sound presentations) for public health education in urban slums and villages. The diseases covered are TB, Xerophthalmia (blinding malnutrition), home remedies for diarrhoeas and fevers, immunisation and nutrition.

The Ministry of Health and Family Welfare of the Government of India in its Statement on National Health Policy emphasizes that there will be only marginal results in health programmes "unless nation-wide strategies are launched to provide health information in easily understandable form, to motivate the development of an attitude for healthy living".

Glaxo — a concern for health

The choice is yours, now. The technology is ours. Always.

Konark's is a long tradition in the pursuit of perfection.

Konark has modern television manufacturing facilities in the public sector. Perfecting technology from one model to the next. Because it is committed to quality, not profit.

So whichever of the three Black and White or the one portable model you pick up, you can be sure to get sharp, clear pictures, and crisp, natural sound.

Because Konark TV, like the temple it takes its name from, is for always.

KONARK TV

the best in sight and sound technology

Every Product of GARDEN REACH Contributes To India's National Growth and Self Reliance

We have the capacity to design and build Ocean Going ships upto 30000 DWT and specialized vessels like Dredgers, Tugs and Research Vessels. We also provide a variety of shipboard equipment thus making every vessel 80.85% indigenous

We are participating in the building of steel, fertilizer and chemical plants

We build a variety of diesel engines for marine propulsion and for power generation—the largest in the country

We specialize in manufacturing tailor-made material handling equipment like Conveyor systems, Cranes and Fork-lifts

We pamper the agriculturists by providing submersible/turbine pumps

The list of our products is endless and our pursuit of quality is matchless

There are several thousand others

Like Her

Victims of the mindless violence of November 1984, trying to find succour with help from the Government. How many more must die before peace returns to Punjab?

Will violence, rancour, hatred, agitations, extremism and terrorism help her and others like her?

Assist Rehabilitation, Assist peace

Now.
